

Saturday – November 11, 2006

09:00 – 10:30 **Tele-Education and Quality Management in Medicine**

Chair: S. Chimenti, H. Kerl

• **E-learning in Dermatology: Will it Replace Classical Learning Tools?**

Burg G, Mnich C, Djamei V
Department of Dermatology, University Hospital, Zurich, Switzerland

• **Integrated E-learning in Dermatology**

Smolle J
Institute of Medical Informatics, Statistics and Documentation, Department Virtual Medical Campus, Medical University of Graz, Graz, Austria

• **International Dermoscopy Diploma: An E-learning Course & First Experiences**

Hofmann-Wellenhopf R(1), Soyer HP(1), Argenziano G(2), Braun R(3), Fink-Puches R(1), Kittler H(4), Malvehy J(5), Marghoob AA(6), Massone C(1), Puig S(5), Tanaka M(7), Wolf IH1, Zalaudek I(1,2)
(1)Department of Dermatology, Medical University of Graz, Graz, Austria, (2)Department of Dermatology, Second University of Naples, Naples, Italy, (3)Department of Dermatology, University Hospital Geneva, Switzerland, (4)Department of Dermatology, Medical University of Vienna, Vienna, Austria, (5)Melanoma Unit, Dermatology Department, Hospital Clinic, Barcelona, Spain, (6)Memorial Sloan-Kettering Cancer Centers, New York, NY, USA, (7)Dermatology at the Department of Dermatology, Tokyo Women's Medical University Medical Center East, Tokyo, Japan

• **Internet and Iranian Patients with Skin Problems: What is the Attitude toward Using Internet as a Medical Resource?**

Zargari O
Booali Medical Group, Rasht, Iran

• **The Need of Quality Management in Telemedicine?**

Soegner P
University Clinic of Radiology – Department of Radiology 2, Medical University of Innsbruck, Innsbruck, Austria

10:30 – 11:00 **Coffee Break**

11:00 – 13:00 **Economic Dimension of Telemedicine**

Chair: H. Pehamberger, P. Soegner

• **Austrian E-Health Experience: Economic Framework for Consumer Health Portals**

Maté C
Netdoktor.at/Dr. Maté GmbH, Vienna, Austria

• **Health Management Practice as a Teledermatology Implementation Tool**

Witkamp L
KSYOS Telemedical Centre, Amsterdam, The Netherlands

• **Economic Evaluation of a Teledermatology-Based Triage System for Skin Cancer**

Moreno-Ramirez D, Ferrandiz L, Nieto A, Carrasco R, Camacho F
Skin Cancer, Pigmented Lesion and Teledermatology Clinic, Dermatology Department, Hospital Universitario Virgen Macarena, Seville, Spain

• **Reduction of Costs in Patients with Chronic Leg Ulcers by Tele Wound Care**

Hofmann-Wellenhopf R, Binder B, Salmhofer W, Okcu A, Kerl H, Soyer HP
Department of Dermatology, Medical University of Graz, Graz, Austria

• **Teledermatology: Safe, User Friendly and Reimbursed**

Witkamp L
KSYOS Telemedical Centre, Amsterdam, The Netherlands

13:00 **Adjourn**

Poster Session

• **Teleassistance and Teleeducation in Leprosy: A Strategy of Public Health Program**

Trindade MAB(1,4), Festa CN(1), Wen CL(1), Andrade VG(2), Soares RCFR(3), Hintze ED(1), Yamashitafuji TMT(5), Manso VLS(5), Escuder MB(4), Ferreira SRG(5), Almeida MEBTMP(6)
(1)Medicine Faculty of São Paulo University, São Paulo, Brazil (2)Pan American Organization of Health, Washington, USA (3)Brazilian Ministry of Health (4)State Health Secretariat of São Paulo (5)Municipal Health Secretariat of São Paulo (6)Brazilian Ministry of Education

• **Asynchronous Teledermatology in an Urban Primary Care Practice**

McKoy K
Lahey Clinic Department of Dermatology, Burlington, USA and Tufts School of Medicine, Harvard Medical School, Boston, USA

• **The History of Telemedicine Center in Our Hospital**

Miao Q(1), Dong H(1), Cui X(2), Dai Y(2)
(1)Department of Dermatology, The First Teaching Hospital, University of Zhengzhou, Zhengzhou, China (2)Department of Medical Informatics, The First Teaching Hospital, University of Zhengzhou, Zhengzhou, China

• **Chinese Health-related Websites in General Medicine and in Dermatology:**

a Subjective Selection

Dong H(1), Yang L(1), Soyer HP(2)
(1)Department of Dermatology, The First Teaching Hospital, University of Zhengzhou, Zhengzhou, China (2)Department of Dermatology, Medical University of Graz, Graz, Austria

• **The Internet Eczema School: A Short Presentation**

Bolle R(1), Schopf T(2)
(1)Department of Paediatrics, University Hospital of North-Norway, Tromsø, Norway (2)Department of Dermatology, University Hospital of North-Norway, Tromsø, Norway

• **Program of Primary Melanoma Prevention: Students-Beauticians-Estheticians as a Part of Team**

Isailovic G(1), Adamovic A(2), Bjekic M(2)
(1)Medical College, Belgrade, Serbia (2)City Institute for Skin and Venereal Diseases, Belgrade, Serbia

• **Feasibility and Diagnostic Agreement Using a Virtual Slide System in Teledermatopathology**

Massone C(1), Soyer HP(1), Lozzi GP(1,2), Di Stefani A(1,3), Leinweber B(1), Gabler G(4), Asgari M(5), Boldrini R(6), Bugatti L(7), Canzonieri V(8), Ferrara G(9), Kodama K(10), Mehregan D(11), Rongioletti F(12), Janjua SA(13), Vahid M(14), Vassilaki I(15), Zelger B(16), Zgavec B(17), Cerroni L(1), Kerl H(1)
(1)Department of Dermatology, Medical University of Graz, Graz, Austria (2)Department of Dermatology, University of L'Aquila, L'Aquila, Italy (3)Department of Dermatology, University of Rome Tor Vergata, Rome, Italy (4)Department of IT and Telecommunications, Graz University Clinics & General Hospital, Graz, Austria (5)Department of Pathology, Razi Skin Hospital, Tehran University of Medical Science, Tehran, Iran (6)Department of Pathology, Bambino Gesù Paediatric Hospital, IRCCS, Rome, Italy (7)Dermatology Unit, A. Murri Hospital, Jesi, Ancona, Italy (8)Division of Pathology, Centro di Riferimento Oncologico (CRO), IRCCS, Aviano, Italy (9)Pathologic Anatomy Service, Gaetano Rummo General Hospital, Benevento, Italy (10)Department of Dermatology, Hokkaido University Graduate School of Medicine, Sapporo, Japan (11)Pinkus Dermatopathology Laboratory, Monroe, USA (12)DiSEM-Section of Dermatology, University of Genoa, Genoa, Italy (13)Teledermatology Unit, Ayza Skin & Research Center, Lalamusa, Pakistan (14)Department of Dermatology, Mashhad University of Medical Sciences, Mashhad, Iran (15)Karolinska University Hospital, Pathology Department Danderyd Hospital, Dermatology Department Solna, Danderyd, Sweden (16)Clinical Department of Dermatology & Venereology, Medical University of Innsbruck, Innsbruck, Austria (17)Department of Dermatology, Clinical Centre Ljubljana, Ljubljana, Slovenia

• **Teledermatopathology: A Controlled Study about Diagnostic Validity and Technical Requirements for Digital Transmission**

Leinweber B(1), Massone C(1), Kodama K(1,2), Kaddu S(1), Cerroni L(1), Haas J(3), Gabler G(4), Soyer HP(1), Kerl H(1), Smolle J(1)
(1)Department of Dermatology, Medical University of Graz, Graz, Austria (2)Hokkaido University Graduate School of Medicine, Sapporo, Japan (3)Department of Gynaecology, Medical University of Graz, Graz, Austria (4)Department of IT and Telecommunication, Graz University Clinics and General Hospital, Graz, Austria

• **Web-based Teleconsulting in Dermatology: A Two Years Pilot Experience**

Massone C(1), Hofmann-Wellenhopf R(1), Di Stefani A(1,2), Lozzi GP(1,3), Gabler G(4), Dong H(5), Argenziano G(6), Ozdemir F(7), Fink-Puches R(1), Salmhofer W(1), Zalaudek I(1), Kerl H(1), Soyer HP(1)
(1)Department of Dermatology, Medical University of Graz, Graz, Austria (2)Department of Dermatology, University of Rome Tor Vergata, Rome, Italy (3)Department of Dermatology, University of L'Aquila, L'Aquila, Italy (4)Department of IT and Telecommunications, Graz University Clinics & General Hospital, Graz, Austria (5)Department of Dermatology, University of Zhengzhou, Zhengzhou, China (6)Department of Dermatology, Second University of Naples, Naples, Italy (7)Department of Dermatology, Ege University, Izmir, Turkey

• **The Additive Value of Second Opinion Teleconsulting in the Management of Patients with Challenging Dermatoses: A Best Practice Model in Dermatology?**

Lozzi GP(1,2), Soyer HP(2), Massone C(2), Micantonio T(1), Kraenke B(2), Fargnoli MC(1), Fink-Puches R(2), Binder B(2), Di Stefani A(1,3), Peris K(1)
(1)Department of Dermatology, University of L'Aquila, L'Aquila, Italy (2)Department of Dermatology, Medical University of Graz, Graz, Austria (3)Department of Dermatology, University of Rome Tor Vergata, Rome, Italy

• **Eczema Counselling via the Internet: Telemedicine as a Tool in Home Care Eczema Counselling**

Schopf TG(1), Bolle R(2), Wangberg SC(3), Bergmo TS(3)
(1)Department of Paediatrics, (2)Department of Dermatology, (3)Norwegian Centre for Telemedicine, University Hospital of North-Norway, Tromsø, Norway

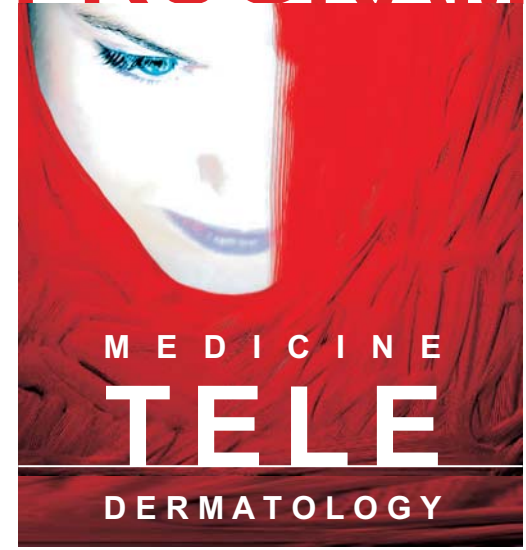

• **New Media Usable in Teledermatology**

De Martino I(1,2), Massone C(2), Capizzi R(1)
(1)Department of Dermatology, Catholic University of Sacred Heart, Rome, Italy (2)Department of Dermatology, Medical University of Graz, Graz, Austria

• **Diagnostic Reliability and Costs of Interactive Teledermatology**

Coma del Corral MJ, Gutierrez Ortega MC, Ramirez Herrera M, Hernandez Martin A, Odriozola Landeras I, Astorga Romón M
Research Unit and Dermatology Department, Hospital General Yagüe, Burgos, Spain

PROGRAM

November 9 - 11, 2006

Department of Dermatology
Medical University of Graz
Graz, Austria

Organization

Honorary Presidents

Helmut Kerl, Graz, Austria
Günther Gell, Graz, Austria
Günter Burg, Zurich, Switzerland
Dieter zur Nedden, Innsbruck, Austria

Congress Presidents

H. Peter Soyer, Graz, Austria
Peter Elsner, Jena, Germany

Scientific Committee for the Teledermatology World Congress and the a-Telmed Annual Meeting

Khalid Al Aboud, Makkah, Saudi Arabia / Giuseppe Argenziano, Naples, Italy / Michael Binder, Vienna, Austria / José G. Catacora, Lima, Peru / Wolfgang Dorda, Vienna, Austria / Huiting Dong, Zhengzhou, PR China / Peter Fritsch, Innsbruck, Austria / Rainer Hofmann-Wellenhopf, Graz, Austria / Shahbaz A. Janjua, Lalamusa, Pakistan / Ian McColl, Tugun, Australia / Karen McKoy, Dover, MA, USA / Werner Leodolter, Graz, Austria / Josep Malvehy, Barcelona, Spain / Hubert Pehamberger, Vienna, Austria / Toshiaki Saida, Matsumoto, Japan / Peter Schmid-Grendelmeier, Zurich, Switzerland / Peter Sögner, Innsbruck, Austria / Jayakar Thomas, Chennai, India / Michael Truppe, Vienna, Austria / Gabriel Yihune, Heidelberg, Germany / Omid Zargari, Rasht, Iran

Congress Secretaries

Barbara Binder / Teledermatology World Congress
Klaus-Martin Simonic / a-Telmed Annual Meeting

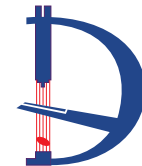

Local Organizing Committee

Verena Ahlgrimm-Siess / Christina Ambros-Rudolph / Christoph Ebner / Regina Fink-Puches / Cesare Massone / Ramin Mofarrah / Erika Richtig / Wolfgang Salmhofer / Ingrid H. Wolf / Elisabeth Wurm

Under the auspices of

Medical University of Graz

Sponsors

Thursday – November 9, 2006

07:30 – 08:30 **Registration**

08:30 – 10:30 **Teledermatology in Developing Countries & Underserved Areas I**

Chair: GBE Jemec, K McKoy

- **Videoconference: Supporting Hospital Doctors in the Middle East by Email Telemedicine**
Patterson V(1), Swinfen P(2), Swinfen R(2), Azzo E(3), Taha H(4), Woolton R(5)
(1)Neurology Department, Royal Victoria Hospital, Belfast, UK (2)Swinfen Charitable Trust, Canterbury, UK (3)Department of Obstetrics, Azadi General Hospital, Kirkuk, Iraq (4)Department of Surgery, Emergency Hospital, Erbil, Iraq (5)Centre for Online Health, University of Queensland, Brisbane, Australia
- **An Analysis of the Images Attached to Referral Messages in an Email-based Telemedicine System for Developing Countries**
Jakowenko J, Wootton R
Centre for Online Health, University of Queensland, Brisbane, Australia
- **Teledermatology in Countries with Limited Resources: Potential as a Teaching and Research Tool**
Schmid-Grendelmeier P
Allergy Unit, Department of Dermatology, University Hospital, Zurich, Switzerland
- **Preliminary Experiences in Conducting Store-and-Forward Teleconsultations in Dermatology via Internet in Henan, China**
Dong H(1), Wang X(1), Miao Q(1), Shu D(1), Gerald G(2), Hofmann-Wellenof R(3), Massone C(3), Soyer HP(3)
(1)Department of Dermatology, The First Teaching Hospital, University of Zhengzhou, Zhengzhou, China (2)Department of IT and Telecommunication, Graz University Clinics and General Hospital, Graz, Austria (3)Department of Dermatology, Research Unit Teledermatology, Medical University Graz, Graz, Austria
- **Teledermatology in Caldas, Colombia, South America**
Jaramillo-Ayerbe F
Dermatology and Dermatopathology, Postgraduate Dermatology Program, Universidad de Caldas, Manizales, Colombia
- **A Teledermatology Network for Underserved Areas of South Africa**
Colven R
University of Washington, Seattle, USA and University of Cape Town, Cape Town, South Africa
- **Distant Evaluation of Digital Images of Arsenic-Induced Skin Lesions from Bangladesh: Association between Skin Color Reproduction Quality and Rate of Interobserver Agreement**
Matveev NV, Christiani DC, Kales SN, Li TH
Harvard School of Public Health, Harvard Medical School, Boston, USA
- **Teledermatology and Dermatopathology in Cambodia**
Schulze HJ(1), Kunze KD(2), Vathana SC(3), Bendick C(3), Stauch G(4), Oberholzer M(5), Brauchli K(5)
(1)Fachklinik Hornheide, Münster, Germany (2)Institute for Pathology, University Dresden, Dresden, Germany (3)Sihanouk Hospital Center, Phnom Penh, Cambodia (4)Institute for Pathology, Aurich, Germany (5)Institute for Pathology, University Basel, Basel, Switzerland
- **A Critical Analysis of the Role of Telemedicine in Improving the Quality of Health Care Access in Circumpolar Rural Populations**
Bocachica JH
Dermatology and Teledermatology, Alaska Native Medical Center, Anchorage, USA
- **Dermatologic Teleconsultation in Military Medical Services**
Kandolf Sekulović L(1), Jovanović D(2), Mijušković Z(1), Mišević M(1), Mikić D(3), Topić L(4), Pavlović MD(1)
(1)Department of Dermatology, Military Medical Academy, Belgrade, Serbia (2)Department of Dermatology, Clinical Center of Niš, Niš, Serbia (3)Military Hospital, Niš, Serbia (4)Military Medical Center, Belgrade, Serbia

10:30 – 11:00 **Coffee Break**

11:00 – 12:45 **Teledermatology in Developing Countries & Underserved Areas II**

Chair: D Moreno-Ramirez, P Schmid-Grendelmeier

- **Setting up a Teledermatology Service in the Venice Lagoon: Preliminary Data on Our Experience**
Favot F, Sedona P, Galaverni D
Department of Dermatology and Venereology, Venice Civil Hospital, Venice, Italy
- **Haim Munk Syndrome: Dermatologic, Periodontal, and Skeletal Manifestations in a 20-year-old woman**
Janjua SA(1), Khachemoune A(2), Iftikhar N(3)
(1)Ayza Skin & Research Center, Lalamusa, Pakistan, (2)Ronald O. Perelman Department of Dermatology, New York University School of Medicine, New York, NY, USA, (3)Department of Dermatology, Military Hospital, Rawalpindi, Pakistan
- **Experience in Teledermoscopy in Siberia**
Stelios M, Kripitser O, Panamirova A
Department of Dermatology, Medical Faculty of People's Friendship University, Moscow, Russia
- **Our Experience of Telemedicine in Dermatology and Venereology in Ukraine**
Vladzmyrskyy A, Kutsenko I
R&D Institute of Traumatology and Orthopedics, Department of Informatics and Telemedicine, Municipal Dermatology and Venereology Hospital, Donetsk, Ukraine
- **The Case-Mix in Routine Store-and-forward Teledermatology between the Faroe Islands and Roskilde Denmark**
Heidenheim M(1), á Steig J(2), Jemec GBE(1)
(1)Department of Dermatology, University of Copenhagen, Roskilde Hospital, Roskilde, Denmark and Skin Clinic, Landssygehuset, Thorshavn, Faroe Islands (2)Department of Medicine, Landssygehuset, Thorshavn, Faroe Islands
- **Local Stimuli to Use Teledermatology in Nizhny Novgorod, Russia**
Krivatkin SL, Krivatkina EV
Sormovo Dermatovenereological Dispensary, Nizhny Novgorod, Russia
- **Teledermatology in Croatia: Our Experience**
Čabrijan L(1), Soyer HP(2), Margan A(3), Postolović L(4)
(1)Department of Dermatology, Clinical Hospital Center, Rijeka, Croatia (2)Department of Dermatology, Research Unit Teledermatology, Medical University Graz, Graz, Austria (3)Private Internal Medical Practice, Island Cres, Croatia (4)General Medicine Practice, Island Lošinj, Croatia
- **Teledermatology in Latin-American Countries**
Puig S, Malvehy J
Melanoma Unit, Dermatology Department, Hospital Clinic, Barcelona, Spain
- **Videoconference: Teledermatology: An Australian Experience**
Muir JB, Lucas L
Tele-Derm National, Australia

12:45 – 14:00 **Lunch at the Congress Site**

14:00 – 16:00 **Teledermoscopy and Teledermatooncology**

Chair: J Malvehy, I Zalaudek

- **Experience with an On Line Discussion Forum of the International Dermoscopy Society**
Argenziano G
Department of Dermatology, Second University of Naples, Naples, Italy
- **Digital Dermoscopy Analysis in Telemedicine**
Rubegni P, Burroni M, Risulo M, Firmani M
Department of Clinical Medicine and Immunological Science, Section of Dermatology, University of Siena, Siena, Italy
- **Teledermatology in the Screening of Patients with Atypical Mole Syndrome: Experience of the "Pigmented Skin Lesions Center (CEDILP)"**
Malvehy J, Puig S
CEDILP (Centre de diagnostic de lesions pigmentades), Hospital General de Catalunya, Centre Dermatològic Girona and Hospital Sant Antoni Abat, Barcelona, Spain
- **Teledermoscopy of Skin Tumors: A First Level Multicenter Italian Study**
Domenico Piccolo D(1), Argenziano G(2), Pellacani G(3), Peris K(1)
(1)Department of Dermatology, University of L'Aquila, L'Aquila, Italy (2)Department of Dermatology, 2nd University of Naples, Naples, Italy (3)Department of Dermatology, University of Modena, Modena, Italy
- **Program of Primary Prevention of Melanoma in Belgrade 2005**
Adamović A, Isailović G
City Institute for Skin and Venereal Diseases, Belgrade, Serbia
- **A Two-Step Teledermatologic Approach for the Management of Patients with Multiple Pigmented Skin Lesions**
Di Stefani A(1), Zalaudek I(2),(3), Argenziano G(3), Chimenti S(1), Soyer HP(2)
(1)Department of Dermatology, University of Rome Tor Vergata, Rome, Italy (2)Department of Dermatology, Medical University of Graz, Graz, Austria (3)Department of Dermatology, Second University of Naples, Naples, Italy
- **Telediagnosis of Pigmented Skin Lesions Using Cellular Phones: A Feasibility Study**
Massone C, Ahlgrim-Siess V, Hofmann-Wellenof R, Ebner C, Soyer HP
Department of Dermatology, Medical University of Graz, Graz, Austria
- **"Presurgical Teledermatology": A Pilot Study**
Ferrandiz L, Moreno-Ramirez D, Nieto A, Carrasco R, Camacho F
Skin Cancer, Pigmented Lesion and Teledermatology Clinic, Dermatology Department, Hospital Universitario Virgen Macarena, Seville, Spain
- **Evaluation of a Teledermatology-Based Triage System for Skin Cancer**
Moreno-Ramirez D, Ferrandiz L, Nieto A, Carrasco R, Camacho F
Skin Cancer, Pigmented Lesion and Teledermatology Clinic, Dermatology Department, Hospital Universitario Virgen Macarena, Seville, Spain

16:00 – 17:00 **General Assembly of the International Society of Teledermatology**

Friday – November 10, 2006

08:00 – 10:15 **Teledermatology – Potpourri**

Chair: L. Witkamp, P. Elsner

- **Mobile Teledermatology in a Clinical Setting**
Wurm E, Hofmann-Wellenof R, Schoellnast R, Massone C, Lozzi GP, Zalaudek I, Soyer HP
Department of Dermatology, Medical University of Graz, Graz, Austria
- **Development of a Teledermatology Service in an English District General Hospital**
Halpern S
Medway Maritime Hospital, Gillingham, UK
- **In-house Teledermatology**
Harmankaya K, Binder M
Department of Dermatology, Medical University Vienna, Vienna, Austria
- **Teledermatology in the Context of Integrated Medical Care**
Tittelbach J, Norgauer J, Elsner P
Department of Dermatology and Allergology, Friedrich-Schiller-University, Jena, Germany
- **Teleacne-Program: A Virtual Approach to the Treatment of Acne**
Kopera D, Wurm E, Soyer HP
Department of Dermatology, Medical University Graz, Graz, Austria
- **Telecosmetic Consultation as a Part of Teledermatologic Consultation**
Isailovic G, Radulovic D, Blagojevic I, Cirkovic J, Prvulovi J, Rancic M, Gojak M, Bukalo M
City Institute for Skin and Venereal Diseases, Belgrade, Serbia
- **Teledermatology in Daily Practice**
Strasser W(1), Laaff H(2)
(1)Dermatological Surgery and Skin Center, Freiburg, Germany (2)Dermatohistopathological and Education Unit, Freiburg, Germany
- **Eczema Counselling via the Internet: Telemedicine as a Tool in Home Care Eczema Counselling**
Schopf TG, Bolle R, Wangberg SC, Bergmo TS
Department of Paediatrics, Department of Dermatology, Norwegian Centre for Telemedicine, Tromsø, Norway
- **Teledermatology for Home-Assistance of Psoriatic Patients: A Feasibility Study**
Giunta A, Di Stefani A, Chimenti S
Department of Dermatology, University of Rome Tor Vergata, Rome, Italy
- **Long-Term Control of Invasive Genital Mucosal Melanoma by Combined Local Immunotherapy (Imiquimod) and Diode Laser Treatment in a Remote Geriatric Patient**
Kirchesch H
Verband Kölner Hautärzte (www.melanom.org), Pulheim, Germany

10:15 – 10:45 **Coffee Break**

10:45 – 12:45 **Welcome a-Teled – Keynote Lectures**

Chair: A. Berghold, H.P. Soyer

- **Welcome Addresses**
G.F. Walter, Rector of the Medical University Graz
H. Kerl, Chairman of the Department of Dermatology
- **Challenges and Solutions in Remote Surgery**
Uranüs S(1), Simonic K.-M.(2)
(1)Department of Surgery, Surgical Research, Medical University of Graz, Graz, Austria (2)Institute for Medical Informatics, Statistics and Documentation, Medical University of Graz, Graz, Austria
- **Teleconsulting for General Practitioners**
Chimenti S
Department of Dermatology, University of Rome Tor Vergata, Rome, Italy
- **The DEJAVU Project: Lessons for the Future of E-learning**
Elsner P
Department of Dermatology and Allergology, Friedrich-Schiller-University, Jena, Germany
- **Quality Standards in Teledermatology**
Binder M
Department of Dermatology, Medical University Vienna, Vienna, Austria

12:45 – 14:00 **Lunch at the Congress Site**

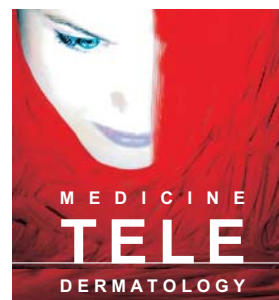

14:00 – 16:00 **Technical, Security and Legal Issues in Teledermatology**

Chair: G. Burg, R. Hofmann-Wellenof

- **Suggestions for a Standardised Format in Store-and-forward Teledermatology**
Jemec GBE, Heidenheim M, Arndtsen L
Department of Dermatology, University of Copenhagen, Roskilde Hospital, Roskilde, Denmark
- **Colour, Definition and Distortion in Imaging Equipment: Are They Relevant in Teledermatology?**
Johnston G, Weatherburn G
Buckinghamshire Chilterns University College, Buckinghamshire, UK
- **Visual Search Patterns Used for Image Analysis by Dermatologists, Pathologists and Non-Medical Staff**
Jemec GBE(1), Heidenheim M(1), Engel P(2), Weber S(3)
(1)Department of Dermatology, University of Copenhagen, Roskilde Hospital, Roskilde, Denmark (2)Pathology Department, University of Copenhagen, Roskilde Hospital, Roskilde, Denmark (3)Systems Analysis Department, National Research Laboratory, Roskilde, Denmark
- **A Pilot Study of Diagnostic Accuracy and Visual Search Pattern of Skin Imaging by Dermatologists**
Jemec GBE(1), Heidenheim M(1), Engel P(2), Weber S(3)
(1)Department of Dermatology, University of Copenhagen, Roskilde Hospital, Roskilde, Denmark (2)Pathology Department, University of Copenhagen, Roskilde Hospital, Roskilde, Denmark (3)Systems Analysis Department, National Research Laboratory, Roskilde, Denmark
- **Security Issues Regarding Teledermatology Data on Primary Care Settings in Greece**
Larios G(1), Frigas A(2), Alevizos A(3), Mariolis A(3), Martikas K(3), Mantas J(2), Rigopoulos D(1)
(1)Department of Dermatology, University of Athens Medical School, Andreas Sygros Hospital, Athens, Greece (2)Health Informatics Laboratory, Faculty of Nursing, University of Athens, Athens, Greece (3)Health Center of Vyrnas, Athens, Greece
- **Deontological and Legal Issues Relating to Teledermatology in Greece**
Larios G(1), Alevizos A(3), Frigas A(2), Mariolis A(3), Mantas J(2), Avgerinou G(1), Rigopoulos D(1)
(1)Department of Dermatology, University of Athens Medical School, Andreas Sygros Hospital, Athens, Greece (2)Health Informatics Laboratory, Faculty of Nursing, University of Athens, Athens, Greece (3)Health Center of Vyrnas, Athens, Greece
- **Telemonitoring System for Complex Telemedicine Services**
Costin H(1), Puşcoci S(2), Rotariu C(1), Dionisie B(1), Ciofea R(1)
(1)Faculty of Medical Bioengineering, "Gr. T. Popa" University of Medicine and Pharmacy, Iasi, Romania (2)National Institute of Studies and Researches in Communications, Bucharest, Romania
- **Teledermatology for Monitoring Systemic Therapy in Dermatological Patients**
Heidenheim M(1), Vang E(2), Jemec GBE(1)
(1)Department of Dermatology, University of Copenhagen, Roskilde Hospital, Roskilde, Denmark (2)Skin Clinic, Landssygehuset, Thorshavn, Faroe Islands
- **The Doctor-Patient Communication in the Era of ICT Empowerment**
Linder MD
Department of Dermatology, University of Padua, Padua, Italy

16:00 – 17:00 **General Assembly of the Austrian Scientific Society of Telemedicine**

20:00 **Evening Reception at Graz Opera House (Spiegelfoyer)**
